

JOB DESCRIPTION

Key Responsibilities:

Corporate Law:

- **Mergers & Acquisitions (M&A):** Lead and support corporate transactions, including mergers, acquisitions, joint ventures, and corporate restructuring. Conduct legal due diligence, draft transaction agreements, and negotiate terms.
- **Legal Advisory:** Provide expert legal advice on all aspects of insolvency, including bankruptcy, corporate restructuring, liquidation, and debt recovery.
- **Client Representation:** Represent clients in insolvency proceedings, both in and out of court, including formal insolvency procedures
- **Litigation Support:** Advise clients on contentious insolvency matters, including fraudulent conveyance claims, preference actions, and directors' duties in distressed situations.
- **Documentation and Drafting:** Draft and review a wide variety of legal documents, including merger petitions, insolvency petitions, settlement agreements, deeds of arrangement, and restructuring plans.
- **Collaboration:** Work closely with other departments (such as litigation, corporate, and tax) to provide integrated legal solutions for clients dealing with financial distress.
- **Regulatory Compliance:** Ensure compliance with relevant legal and regulatory frameworks, including securities laws, antitrust, data protection, and industry-specific regulations.

Legal Advisory & Support:

- **Legal Research & Analysis:** Conduct thorough legal research to support litigation, corporate transactions, and regulatory matters, ensuring up-to-date advice and strategies.
 - **Stakeholder Collaboration:** Work closely with senior management and other departments, providing legal counsel on business operations, transactions, and disputes.
 - **Documentation & Reporting:** Draft and review legal documents, including litigation filings, contracts, settlement agreements, and legal memoranda, ensuring clarity and accuracy in all written communication.
-

Qualifications & Requirements:

- **Education:** LLB Graduate or Above
- **Experience:**
 - Minimum of 2-3 years of experience in corporate law and litigation.
 - Proven experience in managing and drafting appellate briefs and handling appeals.
 - Strong background in case handling, including drafting of pleadings and courtroom representation
 - Experience in M&A transactions, commercial contracts, and corporate governance is essential.
 - Experience working with external law firms on complex cases is a plus.
